IZAKAYA

Dear Customers,

For the last few years I have been thinking about changing our menu. And I thought the best way for our customers to enjoy their experience at Shiki is to do "OTSUMAMI" (not too substantial but sharable dishes) in which everyone can have a bit of everything from Sushi to Yakitori.

When I think back to my time in Japan, I often went to Izakaya with my friends. We enjoyed sharing dishes, talking about the future and drinking beer and sake. But Shiki is not just for a group of friends. We indeed welcome families, couples and solo diners. I believe that our new menu is for everyone.

I added a range of Vegetarian dishes as well as updated some of our best sellers: Sushi Lovers and Bento Boxes.

Under our new Izakaya concept, we tend to bring food as it comes. But if you like things to come in a certain way, please let us know.

Thank you and hope you enjoy your experience at the new Shiki!
